

Doctor's Common Room

Supporting, sharing and learning together

Join us for our daily common room

Starting Monday 6th April 2020
Time: 11:00-12:15pm and 18:00-19:15pm

PH can offer “Doctor's Common Room” as a positive place to come together, to connect and to establish a safe, containing space in which to think and reflect. People can join the group when they wish and there is no expectation that people will attend every group. It’s designed to be a place people can come to if and when they can.
